Bellows Free Academy – Fairfax • Parent, Teacher, Student Association

The BFA-PTSA is a non-profit organization made up of parents, educators, students, and other citizens who are taking an active role in promoting the education of the students at BFA-Fairfax. Our efforts support children from birth through Grade 12. We are working to: promote the health and safety of our children; provide scholarships and enrichment programs for students; provide avenues for communications among parents, students, administration, and teachers; and provide support for parents as they work to become actively involved in their child's education.

The BFA-PTSA invites you to join our membership for the 2018/19 school year. To continue membership, members must renew enrollment annually. Graduating seniors enrolled as PTSA members have priority when submitting an application in May for our \$1,000.00 scholarship. These dues include your membership into the BFA-PTSA, the Vermont PTA, and the National PTA for 2018/19. Your membership also entitles you to member-only discounts through National PTA; for more details, visit www.pta.org. Also, you may find local PTSA information on the PTSA Facebook page : <https://www.facebook.com/BFAPSTA>

When the PTSA gets involved, all children benefit.

When you get involved in the PTSA, the child who benefits most is yours.-
